

Policy

NONPUBLIC SCHOOL STUDENTS

New Jersey statute and regulations of the State Board of Education require the board of education to provide certain services and supplies to those New Jersey children whose parents/guardians enroll them in nonpublic schools within the confines of the district. Out-of-state students enrolled in nonpublic schools within the district are not included.

Nursing Services

The Bordentown Regional Board of Education shall, within the funding limitations as determined by the state's appropriations and nonpublic school enrollment, provide the mandated nursing services for students enrolled full-time in nonpublic schools located within the district. Specified nursing services include:

- A. Assistance with medical examinations including dental screening;
- B. Hearing screenings;
- C. Maintenance of student health records and notification of local or county health officials of improperly immunized students;
- D. Conducting of scoliosis examinations for students between the ages of 10 and 18.

The district shall extend to students enrolled full-time in nonpublic schools in the district who are injured or become ill at school or during participation on a school team or squad the emergency care provided to public school students up to the limit of state aid provided.

No district shall be required to make expenditures for purposes of this act in excess of the amount of state aid received for these purposes.

Sports and Extracurricular Activities

All Bordentown Regional Middle School activities and athletics are exclusively for the students enrolled in the Bordentown Regional Middle School. Students who live in Bordentown, but attend private schools are not eligible to participate in middle school athletics or extracurricular activities.

Students who live in Bordentown, but attend private schools are not eligible to participate in Bordentown Regional High School athletics or extracurricular activities.

Federal Requirements

All requirements of federal law shall be obeyed; particularly those addressed in provision of Title 1 program services, and IDEA (see policies 6171.3 At-risk and Title 1 and 6171.4 Special Education).

Implementation

The superintendent shall develop rules, regulations and procedures for the efficient and economical delivery of such services and supplies as are mandated by law. Wherever possible, already existing means and
