

Debug Strategy

Step 1 Decide to IGNORE

Do not look at the person or think about what they're doing or saying

If that doesn't work . . .

Step 2 Exit

Walk away, ask to MOVE AWAY

If that doesn't work . . .

Step 3 Be calm

Use FRIENDLY WORDS and an I-Message to express how you feel and what you would like to see change

If that doesn't work . . .

Step 4 Use a firm voice

"STOP, I said I don't like that"

If that doesn't work . . .

Step 5 Get help from the nearest **adult**
