## Riverside & Harvey Alumni Associations Present: **THE HARDY ANIMAL NUTRITION GRAND RIV-HAR DUCK RACE**

Dear Friends:

The Harvey Alumni Association and the Riverside Alumni Association have joined forces again this year to sponsor the Hardy Animal Nutrition Grand Riv-Har Duck Race between 11:00 - 12:00 on a Saturday in the fall after the annual Harvey/Riverside Football game. Up to 2000 numbered rubber ducks will be dropped into the creek in Helen Hazen Wyman Park. The first duck to float to the finish line will collect for its owner \$500.00 as the first prize. Additional prizes will be awarded to other front running ducks. Ducks may be purchased for \$5.00 each from Alumni Association members. This 16<sup>th</sup> annual race is planned as a joint effort of both alumni associations to raise money for scholarships and to provide support for alumni and student activities at both schools.

Your financial contribution will help us to promote this annual event. As a business sponsor, your company will receive recognition in the Harvey/Riverside Alumni Booth at the Painesville Party-in-the-Park in July, in the Harvey/Riverside Alumni Booth at A Taste of Painesville in September, on the Painesville City Educational Access television station, on the Harvey Alumni Association web site ([www.harveyalumni.com](http://www.harveyalumni.com)), on the Harvey Alumni Association Facebook "Page" and "Group", and in the football program for the annual Harvey/Riverside "Battle of Painesville".

Checks should be made payable to the Harvey Alumni Association and sent to:
