NHS IB DP Scheduling Worksheet – 2020 DP Cohort

11th Grade

12th Grade

1) Group 1 _____ | _____

Option here for all NHS students is English HL Literature (two-year course); 2 credits help satisfy English Language Arts graduation requirements (2/4). Acknowledge prerequisites outlined in NHS Course Catalog.

2) Group 2 _____ | _____

*Choose from SL or HL French, German, or Spanish Language (all are two-year courses); 2 credits help satisfy World Language graduation requirements (2/2). Acknowledge prerequisites outlined in NHS Course Catalog. Pamoja *ab initio* options available.*

3) Group 3 _____ | _____

Choose from SL Psychology (one-year), SL History (one-year), or HL History (two-year); 2 credits help satisfy Social Studies graduation requirements (1/3); SL History counts for World History credit and HL History counts for World History and American History credits. Acknowledge prerequisites outlined in NHS Course Catalog. All students need .5 Civics and .5 Economics for graduation.

4) Group 4 _____ | _____

Choose from SL Sports, Exercise, and Health Science (1.5-year), HL Biology, or HL Chemistry; 2 credits in Chemistry and Biology help satisfy Science graduation requirements (2/3); 1.5 credits in SEHS help satisfy 1 credit of Science (1/3) and satisfy ½ credit of Health (.5/.5). Acknowledge prerequisites outlined in NHS Course Catalog.

5) Group 5 _____ | _____

Choose from SL Mathematics Studies (one-year), SL Mathematics (two-year), or HL Mathematics (two-year); 2 credits for HL and SL (2/4) and 1 credit for Math Studies help satisfy Mathematics graduation credit (1/4). Acknowledge prerequisites from NHS Course Catalog. Note that HL Mathematics has raised its prerequisite to Honors Pre-Calculus for the class of 2019 and onward.

**6) Group 6/
Second Group 1-5** _____ | _____

*Choose an additional course from group 2, 3, or 4. Or select HL or SL Visual Arts (one-year SL course **only** with instructor approval, i.e., approved portfolio and follow-up interview) as your group 6 option. 1 credit for one-year SL or 2 credits for two-year HL or SL sequence help satisfy Visual, Performing, and Applied Art (VPAA) graduation requirements (1/1 or 2/1). Acknowledge prerequisites from NHS Course Catalog.*

7) Elective (non-IB) _____ | _____

Note that all efforts will be made to honor elective choices, in particular those for music extra-curricular(s), but, like all NHS students, we cannot guarantee any schedules due to the size of our school and overall course options and period availabilities across subjects, programs, levels, etc. Notes about graduation requirements are to help with overall planning. Advanced course sequencing ensures MME requirements are met for core courses. Heed Health (.5), Civics (.5), Economics (.5), Physical Education (.5), and VPAA (1.0) requirements during four-year planning. Acknowledge prerequisites outlined in NHS Course Catalog.
