

# **Stony Lane Elementary PTO 2017 - 2018 Directory Release**

---

Each year, the Stony Lane PTO creates a **Stony Lane Directory**. The directory will be emailed via listserv with only a few hardcopies available through the front office. Please indicate below the information you approve for your family; you may choose to include all or part of the fields requested.

Note: This information is for student purposes only (e.g. playdates, parties, class info).

\_\_\_\_\_ I **do not** want any of my child's information to be included in the school directory (student's name will therefore **not** appear on the class list at the back of the directory).
