

**LINDEN UNIFIED SCHOOL DISTRICT
RESOLUTION ON SUFFICIENCY OF INSTRUCTIONAL MATERIALS
2013-2014**

RESOLUTION NO. 091813-R7

Whereas, the governing board of Linden Unified School District, in order to comply with the requirements of *Education Code* Section 60119 held a public hearing on September 18, 2013, at 7:00 p.m., which is on or before the eighth week of school (between the first day that students attend school and the end of the eighth week from that day) and which did not take place during or immediately following school hours, and;

Whereas, the governing board provided at least 10 days' notice of the public hearing posted in at least three public places within the district that stated the time, place, and purpose of the hearing, and;

Whereas, the governing board encouraged participation by parents, teachers, members of the community, and bargaining unit leaders (if the district or county office has a bargaining unit) in the public hearing, and;

Whereas, information provided at the public hearing and to the governing board at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the district/county office of education, and;

Whereas, the definition of "sufficient textbooks or instructional materials" means that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and;

Whereas, sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in the following subjects:

- Mathematics
- Science
- History-social science
- English/language arts, including the English language development component of an adopted program

Whereas, sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and;

Whereas, laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive;

Whereas, the attached list identifies the materials and Board adopted dates.

Therefore, it is resolved that for the 2013-2014 school year, the Linden Unified School District has provided each pupil with sufficient textbooks and instructional materials aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks.
