

PARENT BRAG SHEET

Most colleges, universities, and trade schools ask that Guidance Counselors write recommendations that are personal and individualized regarding the student applicants. To this end, we invite you to provide us with information about your son that we may not know or he may not be likely to tell us, so that we can write the best recommendation possible. Please feel free to use a second sheet of paper for your comments if necessary.

You may return this to the Guidance office at your convenience, by mail or e-mail to jdeangelis@fatherjudge.com (A-L Last Names) or mpurcell@fatherjudge.com (M to end of alphabet), but please try to do so before (or at the same time) you son applies to his colleges or trade schools. Thanks for your assistance!
