

## Black History Month

By: Bryan Soto

Black History Month

Black History Month is not just a tribute to black individuals, but a symbol of progression in mankind. To understand why it's important we take part in this celebration, we should first acknowledge and appreciate how far we've come as a race. Green Design ASB is holding a Black History **MOVIE NIGHT** on February 23rd where there will be food and beverages served. It's sure to be a good time. In addition to that event, on February 8th, GD was encouraged to participate in an inspiration tree decoration. Students covered a tree with the names of African-Americans who've inspired them and why. A good showing of this month's spirit. We hope all GD students felt the desire to add themselves to these activities and revel in the celebrating of people who've earned their glory.

## Back to School Night

By: Darrien Rodriguez

When is Back to School Night? On February 16th, 2017 it is a fun time to show off your grades to your parents. Show how responsible you are by bringing your parents to Back to School Night. This events start at 5:00pm and ends at 7:00pm. The event is very important because we have a number of things to accomplish this Back to School night. Green Design will be holding a number of informational parent meetings (about the name change, parent and student surveys, etc.) this night and we look forward to having your input on the happenings of our school. Besides the meetings Back to School Night gives a chance for teachers, students and parents to work towards our ultimate goal of GRADUATION.

## Pep Rally

By: Lipzi Lopez

On Friday, January 3rd the whole DRLC complex had its annual Pep Rally and the students had a BLAST! We had a DJ, cheerleaders and of course all the athletes. Edgar Trigueros the president of Green Design, hosted the event and he did a wonderful job; he had the school laughing with some jokes as he presented each team with pride and respect. The pep rally ended up being held in the MPR because of the weather and students were allowed to bring lunch into the MPR. The athletes danced and some students ended up crowd surfing! Teachers participated on the dance floor, and there were even teacher-student dance offs. A wrestler, a football player and also volleyball player had very touching speeches. One athlete said, "Don't let anyone tell you, you can't wrestle or do anything a guy does just because you're a girl, follow your dreams." At DRLC we cherish the inclusiveness each team offers. Way-to-go Huskies!

## Valentines Day

By: Ruben Valenzuela

February is strongly associated with the theme of love and friendship, and it has been so for centuries. Prior to Valentine's Day Leadership has sold grams and on the day of Valentine's will distribute the grams in Advisory. Also, GD will be hosting **MOCK MARRIAGES** with PSCS under the staircase in front of the school. You will receive rings and a marriage certificate [good until midnight ;-)]. "Roses are red, Violets are blue, Green design S.T.E.A.M is happy to have you".

Sports By:  
Valery Garcia

The week of February 6-10th was Senior Night Frenzy for both our girls and boys Husky basketball and soccer teams! People came out and show their support for our hardworking seniors as we honored them at their last home game on Husky territory. As Senior Night had a crowd they are bound to remember. As we almost come to an end to our winter sports, up next we have our Spring sports boys Volleyball, Track and Field, and Softball ready to kick off their season with a **BANG!**

## Penny Wars

By: Alondra Ochoa

What is the Sharing Brings Hope campaign? The campaign is a district-wide fundraiser and the goal is to raise a minimum of \$50 per Advisory. How can you get involved with this campaign? To meet our goal, we'll hold a "Penny War Fundraiser"; a competition between Advisories. Students will put pennies in their class' container. One point is received for every penny. The objective is to get as many points as possible. The money raised during the penny war will be donated to The Sharing Brings Hope Foundation. This "war" is happening for five consecutive days – the 27th to the 3rd of March. The advisory class that donates the most pennies will win a breakfast treat for their Advisory class. Have fun and donate, donate, donate everyone!

## Winter Formal?

By: Andrew Mendez

Winter Formal was supposed to happen on Friday, February 3rd. However, everyone at this point knows it did not happen. The dance will still happen, but it has been rescheduled for the spring. Aside from the change of date, everything else from the dance will remain the same. Important to note is that Green Design Showed out with the most presale tickets sold. This is important to note because the main reason that the dance had to be postponed was because of a lack of presale tickets sold. Look out for a leadership student and tell them why you didn't buy a ticket early so we can make adjustments for the spring. More news on the delayed dance to come in the future, so stay tuned!

**NOTE:** *First student to finish the puzzle correctly, wins a gift card! Go to Mrs. Difonzo-Aguilar's room, D206, for the gift card. There will be a winner for the English and Spanish versions.*

**Down:**

- 1: Winter Formal has been rescheduled to...
- 2: One of the sports that will start in the spring season
- 3: Green Design will be holding a number of informational parent meetings about student and parent \_\_\_ during Back to School Night
- 6: Because of the weather, the pep rally was held in \_\_\_.
- 7: Penny Wars will be held for \_\_\_ consecutive days.

**Across:**

- 4: Back to School Night gives a chance for teachers, students and parents to work towards the ultimate goal of \_\_\_.
- 5: What were sold for Valentine's day?
- 7: The sharing brings hope campaign is hoping to raise how much dollars for each advisory?
- 8: Diego has the Pep Rally how often?
- 9: ...GD was encouraged to participate in an inspiration \_\_\_ decoration.
