RE: Approval of Alliance Facilities Grant  
DT: March 22, 2017

**RECOMMENDATION**

That the Board of Education approve the submission of the Alliance Facilities Grant.

**BACKGROUND**

The Governor has committed thirty million dollars in spending to assist Alliance districts with facilities needs over a two-year period between 2016 and 2017. The district received 1.2 million dollars last year which provided for several needed projects including renovated bathrooms in all of the elementary schools, new parking lots at North Windham and Barrows, and new locks and re-keying all of the schools to provide for safer learning environments.

This year the district is eligible for \$500,000 in Alliance Facilities Grant funding.
