

Fourth Grade Math Bowl Team

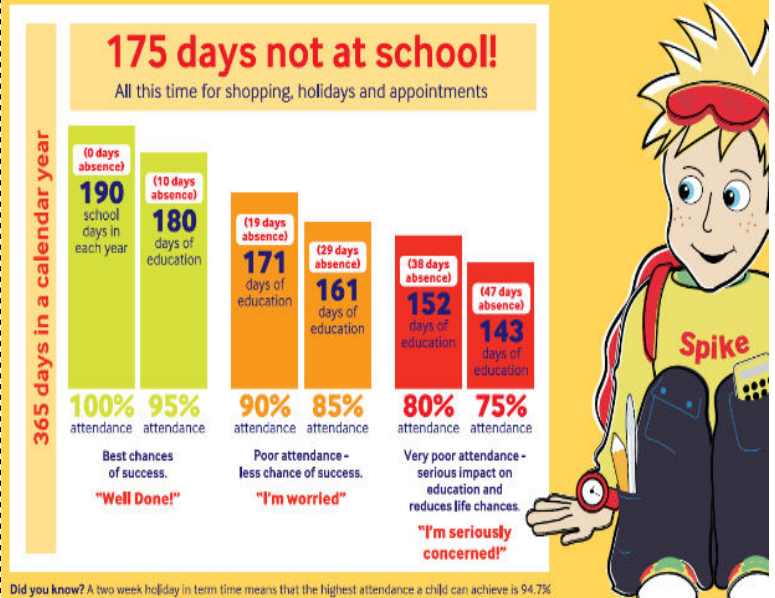

Congratulations to Kaydence Heatley, River Burton, Christopher Estrada-Abad, Joe Powell, Xavier Hamilton, and Jaden Pinckney. They competed amongst all of our fourth grade students and will be representing BC Grammar in the Semi-Final Competition!

The semi-finals will be on December 7 at Congaree Elementary. We are so proud of our bearcats!

Good attendance means...

being in school at least 95% of the time or 180 to 190 days

Counselor's Corner

During the month of December we will be learning about personal safety during our Classroom Counseling lessons.

In 2015, Governor Haley signed into law an education curriculum requirement addressing sexual abuse, known as *Erin's Law*. Per this mandate all students in grades Kindergarten through Twelfth will be receive a Counseling lesson addressing personal safety.

During this classroom counseling lesson we will be discussing:

- Good Touches- safe touches
- Bad Touches- unsafe touches
- Private areas of the body (body parts covered by bathing suit)
- Our response to bad touches, Personal Safety Rule (No, Go, and Tell!)
- Trusted adults

As always we appreciate your support and involvement. Please take time to address and review these important concepts with your child and emphasize what "private" means and how it applies to your child's body.

If you have any questions or concerns regarding this lesson, please feel free to contact me at 803-739-3137 or ashtonjones@lex2.org.
