Getting to Know Your U.S. History Book
Scavenger Hunt Activity

Instructions: Using what you know about school textbooks and the book itself, answer the following questions.

1. What is the title of the book?

2. How many chapters are in the book?

3. What document is located beginning on p. 269?

4. Specialized maps are located throughout the text to enrich the reading. On what page does a collection of general reference maps begin?

5. Whose portrait appears at the beginning of Ch. 7?

6. What’s the name of the section of the book that lists the chapters, the lessons, and the page numbers on which they begin?

7. In what section of the book can you find page numbers citing information on important people, events, and documents?

8. On what page does the glossary begin?

9. What is the Social Studies Skill activity for Ch. 6?

10. On what page can you view a map of the Oregon Trail?
