

Lunch Program Information

General Information:

Union Academy does not currently have a traditional cafeteria. The school provides catered lunch from a different vendor each day. The menu is set up on an a-la-cart format, enabling families to order as much or as little as they need. The schedule will, for the most part, stay the same each week. Some items are available on a daily basis. These include chips, drinks, fruit, frozen yogurt, and ice cream. These items can be purchased through the order form each month or on a cash basis during your child's lunch period.

A surcharge will be applied to the purchase of "extras" (hot food only) sold during lunch periods at the Upper Campus.

If you have any questions or would be interested in volunteering during the hours of 10:50 – 1:50 to help serve meals please contact:

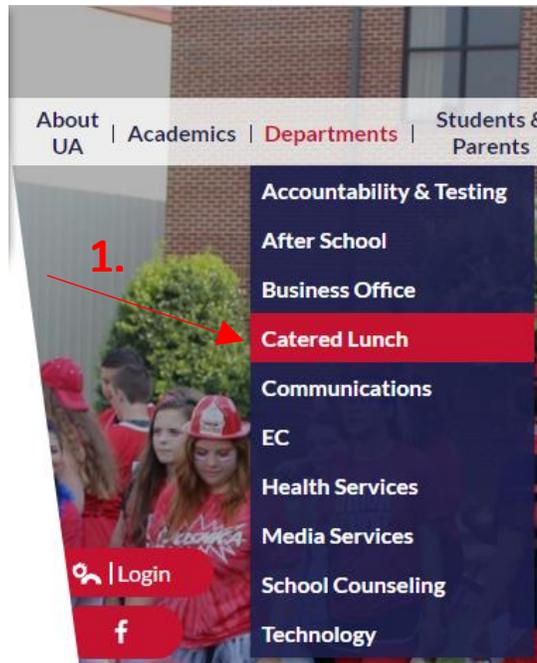

Upper Campus: (704) 238-8883 Patric Malone (pmalone@unionacademy.org)

Lower Campus: (704) 283-5678 Karen Little (klittle@unionacademy.org)

Catered Lunch

Union Academy does not currently have a traditional cafeteria. The school provides catered lunch from a different vendor each day. The menu is set up on an a la carte format, enabling you to order as much or as little as you need, and it will basically stay the same each week. Some items are available on a daily basis, such as chips, drinks, and ice cream. These items can be purchased online each month or on a cash basis during your child's lunch period. The School Nurses and Food Services Staff have teamed up to provide you with nutrition facts for the food we serve at Union Academy. We hope this will help you make healthy choices for your students, and begin teaching them the importance of good nutrition. Click the link to the right to read more.

Payment Information:

Payment for orders can be done by debit/credit (only). After confirming ALL orders in your cart, click to your Shopping Cart and choose “Pay now with card”. A one-time \$5.00 processing fee will be charged on the first order at the beginning of each school year. This fee provides Union Academy the ability to provide you a convenient online ordering system. The system will automatically charge a 3% credit card transaction fee per order. The fee is per transaction, not per child. Be sure to confirm orders for all children before clicking the Pay Now button.

An important note: if you leave items in your “cart” and do not choose to pay, the order **does not** process. If the order is not paid by the deadline, your child **will not** have lunch for the next month. We recommend paying for your order as soon as you choose from the menus to ensure it is processed before the deadline ends.
