## Illuminate Parent Portal Application

Illuminate Parent Portal is a web-based tool that allows parents to be more in touch with their student's education. Using a confidential Access Code, parents are able to track daily attendance, view report cards, class assignments, class schedules, graduation requirements and more.

With Illuminate Parent Portal you can access the data for all of your children enrolled in Nuview Union School District with just one e-mail account.

Complete a Parent Portal Application and return it to the school office. Parent User IDs and Passwords will be given only to parents/guardians that are listed on the student's emergency card. Thank you for your interest in Illuminate Parent Portal.
