Coldspring FFA's Bret Carter brings home HLSR trophy

Coldspring FFA's Bret Carter began a long journey last year when he caught a calf at the Houston Livestock Show & Rodeo's Calf Scramble. It was a journey that ended this year in sweet victory.

When he caught the calf last year, Carter was given a voucher to be used toward the purchase of either a breeding heifer, dairy heifer, or market steer to be shown at this year's livestock show. In July, he chose a Red Angus breeding heifer and has raised her ever since.

As part of the contest rules, Carter had to write monthly reports to his donor, keep a record of

all income and expenses, submit a scrapbook, create a stall display, and participate in this year's Scramble Heifer Show.

Carter's hard work paid off. His heifer won her class in the scramble show, as well as the Junior Show. Congratulations on a job well done, Bret!

Creating
Opportunities

The vision of COCISD is Creating Opportunities for All!

Did you know?

- Texas instituted the first statewide testing program in 1979. Since then the program has grown in size, scope and rigor, with several name changes along the way. Beginning with TABS in 1980 (Texas Assessment of Basic Skills), state tests have evolved into TEAMS (TX Educational Assessment of Minimum Skills), TAAS (TX Assessment of Academic Skills), TAKS (TX Assessment of Knowledge and Skills), EOC (End of Course) exams for grades 9-12, and STAAR (State of Texas Assessments of Academic Readiness).

2018 Spring teams head to regional and area contests

Our 2018 spring teams have had outstanding seasons and many are headed to regional and area contests. The 7th & 8th grade girls track teams were district champions. The Trojan and Lady Trojan tennis and track teams are headed to regionals, as well as our Trojan golf team with one Lady Trojan golf qualifier.
