SCHOOL MISSION AND VISION STATEMENTS

Vision Statement

EBHS actively **promotes an academic culture** that provides opportunities to obtain the skills, knowledge and behaviors for **empowering all learners to graduate and to be productive citizens**.

Mission Statement

The mission of EBHS is to provide and sustain a respectful **environment that ensures every member of the school community attains a high level of personal and academic achievement** in college and career readiness as determined by local, state and national standards. We commit to a comprehensive system of support which includes parents and the surrounding community.

SCHOOLWIDE LEARNING OBJECTIVES

1. **Students will** participate in a variety of classes, programs, and experiences to develop and demonstrate skills in:
 - Critical thinking
 - Creativity
 - Collaboration
 - Communication
2. **Students will** demonstrate growth in content area literacy in all subjects
