

SJBP School Times 2017 – 2018

Including Emergency School Closings, Delays, and Early Release

Student and employee safety is a primary goal of the administration of St. John the Baptist Parish School System. At all times, weather conditions are monitored to ensure that students can be safely delivered to schools and returned home. Parents are strongly encouraged to make arrangements for the welfare of their children due to school closings or delays and ensure that their children are appropriately dressed for weather conditions. This is especially true for students who wait at bus stops for their bus. It is also helpful for parents to meet students at the bus stop location when weather conditions warrant.

Parents are encouraged to stay tuned to local media, the SJBP website, and SJBP JCalls, particularly in the case of a school delay. On rare occasions, a decision may be made to close schools, to delay the start of schools, or to release students early from schools. In some cases, a *delay status* may even change to a *closed status*.

- If the notice is given that schools will have a DELAYED START (one, two, or three hours), schools will start as outlined in the schedule below. Buses will arrive at the designated stop one, two, or three hours later than on a normal school day.
- If the notice is given that school will be RELEASED EARLY (one, two, or three hours), schools will dismiss as outlined in the schedule below. Buses will arrive at the designated stop one, two, or three hours earlier than on a normal school day.
