**DAVIDSON EARLY COLLEGE HIGH SCHOOL  
APPLICATION FOR ADMISSION  
2018-2019**

**To: Prospective Davidson Early College High School Applicants and Parents/Guardians:**

Thank you for considering Davidson Early College High School (DECHS) for your high school program. Before completing the application, we request that you give careful consideration to the information below to determine if DECHS is the most suitable educational experience for you. In completing the application, please make special note of the expectations you and your child will be agreeing to if he or she is selected to attend DECHS. Please note: **THE PRIMARY PURPOSE OR OUTCOME OF THIS HIGH SCHOOL PROGRAM IS TO PROVIDE AN OPPORTUNITY FOR STUDENTS TO GRADUATE WITH A HIGH SCHOOL DIPLOMA AND A TWO-YEAR TRANSFERRABLE COLLEGE DEGREE IN FOUR (4) YEARS.**

**History:**

Davidson Early College High School (DECHS) on the campus of Davidson County Community College was established in 2004 as a collaborative effort among the Davidson County Schools, Lexington City Schools, Thomasville City Schools, and Davidson County Community College in partnership with the North Carolina New Schools organization.

This program is funded and structured primarily to provide successful, challenging, and meaningful educational experiences for students selected to the program. Beginning in grade 9, students are offered not only the opportunity to earn a high school diploma and meet university entrance requirements, but to also take college courses for which they receive (with the required college GPA) up to two years of credit (transferable AA or AS to UNC system schools). DECHS students earn scholarships and honors commensurate to those of traditional schools and perform at higher levels on tests such as the PSAT, SAT, and ACT. Graduates typically go on to pursue higher education at senior institutions.

DECHS maintains a population of approximately 160 students allowing frequent opportunities for individual participation and personalized attention from faculty and staff. In 2009 and 2012, *U.S. News and World Report* honored DECHS as “One of America’s Best High Schools”. In 2008 – 2009, DECHS achieved the status of a “School of Distinction”. For the 2009 – 2010 school year DECHS was the 2<sup>nd</sup> highest achieving high school in this state with 99.4% overall proficiency. In December 2010, the school was identified as a “Signature School” with high student performance. More recently DECHS has been designated as a “School of Excellence” with a 100% graduation rate—four years in a row! All members of the Class of 2013 applied to and were accepted at 4-year colleges/universities! In 2015, 2016, and 2017 DECHS was recognized by Newsweek as one of “America’s Best High Schools.”

**\*\*\*Eligibility and Target Population\*\*\*:**

The student population of DECHS reflects and values the diversity of its participating school districts. In situations where applications exceed the number of allotted seats, all **completed** applications from applicants who attend one of the information sessions and meet the stated deadline will be reviewed and forwarded to SERVE for a randomized selection process, similar to a lottery.

In order to meet the intent of this Cooperative and Innovative High School program (§ 115C-238.50) this process places an emphasis upon selecting applicants who are representative of the applicant pool, residents of Davidson County, and potentially meet one or more the following criteria:

- Students who are 1<sup>st</sup> Generation college students (neither parent has more than a two-year associates degree)
- Students who would benefit from accelerated academic instruction and environment
- Students who are at-risk for not completing high school or for not pursuing higher education
- Students who are underserved in higher education

In addition, the following are key attributes for successful DECHS students:

- Maturity, motivation and the ability to make responsible, independent and productive choices, which contribute to success and growth both at the high school and college level.
- Desire to be intellectually challenged and experience rigorous college level and honors level high school courses (UNC admission requirements).
- Ability to work cooperatively and be engaged in inquiry, communication, leadership, critical thinking, problem solving, and making education a priority.
- Desire to effectively and appropriately use technology toward educational purposes and enrichment. Students will need to have access to the Internet on a daily basis outside of school.

Sincerely,  
DECHS Faculty and Staff

**Student Agreement:** Please initial to the left of each statement and sign below.

\_\_\_\_\_ I realize that being admitted to DECHS is a chance to extend my educational opportunities for success. By signing below, my parents and I understand that I am committing to at least one full academic year of attendance at DECHS. After one academic year, the principal at the early college and residential high school, as well as the district superintendent, must review requests for reassignment.

\_\_\_\_\_ I understand that this is an adult educational setting and, as such, my behavior must be conducive to learning without disruption. I agree to act as a young adult who can handle this level of adult work and interaction while using these facilities, and to abide by the rules and regulations established by both DECHS and DCCC.

\_\_\_\_\_ I understand that daily attendance is essential for academic success. I agree to go above and beyond minimal attendance policies in both high school and college classes, and to be present whenever classes are in session based on DECHS/DCCC calendar.

\_\_\_\_\_ I understand that maintaining a cumulative college program GPA of 2.0 is required by DCCC in order to earn an Associate's degree, and passing grades in all classes are important. Therefore, I agree to work to maintain grades of C or above in all my classes, both high school and college.

Please see the DCCC Code of Conduct or the Student Information section of the DCCC website for more information regarding student rights and disclosure of information under the Family Educational Rights and Privacy Act (FERPA).

\_\_\_\_\_ I understand that the admission decisions made by the Early College through SERVE are final.

**DRAFT - Davidson Early College High School - DRAFT**  
**Memorandum of Agreement**  
**2018-2019**

Students and parents of the Davidson Early College High School agree to and acknowledge the following:

Admission to and enrollment in Davidson Early College High School is a privilege, not an entitlement, and the Davidson County Board of Education and the College maintain the right to refer students back to their schools of origin in the various public school districts when necessary. Please be advised that the progress of students will be systematically evaluated every year.

Davidson Early College High School students are guests on the campus of the Davidson County Community College and shall act in a manner befitting as guests at all times by abiding by both College and High School rules and expectations.

Upon recommendation by the Davidson Early College High School principal, high school students may take College classes free of tuition; however, students and parents recognize that College classes may be more rigorous than traditional high school classes, and that in some instances the College curriculum may be more graphic/mature than the traditional high school Standard Course of Study. Students enrolled in college courses leading to a degree must maintain a “C” (2.0) or better average to obtain their college degree. We reserve the right to require mandatory tutoring or other support structures for students not achieving “C” or better in any course.

The College will have no obligation to work with students who do not satisfactorily complete the applicable placement assessments customarily conducted by the College for admission into its program.

Attendance requirements for some college classes may be more rigorous than high school standards. The high school attendance policy serves as the minimum attendance requirement for all students in all classes. If a College class allows unlimited absences, students will still be expected to miss no more than eight (8) classes per semester. This is due to the granting of dual credit for College classes. If a College class allows for fewer than eight (8) absences per semester, students are expected to adhere to the more rigorous requirement. Students must be in attendance for 2/3 of a class period to be counted present.

All students will be expected to show **RESPECT** to their fellow students and adults; to seek to develop positive **RELATIONSHIPS** with their peers; to accept willingly the challenges of **RIGOROUS** work; to demonstrate a **RESPONSIBLE** attitude; and strive to ensure **RELEVANCE** in their actions. It is the expectation of faculty and parents to support these student behaviors.

It is also the expectation that students will complete both the high school and the college components of the program. Please be advised that if accepted to the DECHS program, DECHS becomes the student’s only official high school for any and all school related events, including all extracurricular activities. This is deemed essential for the integrity of the school’s schedule.

Parents are also reminded of the time parameters for early college courses and supervision as well as the need to schedule vacations and events around the DECHS and DCCC calendars (**Consultation with DECHS and DCCC personnel required**). Parents are expected to assume responsibility for transportation.

Parents and students are further advised that unless there are extenuating circumstances, once a student leaves, they forfeit their seat and placement at DECHS.

{By the signatures below, the student and parents acknowledge that they have received and understand both the MOA and the student handbook. Students will be expected to review and comply with the provisions of the 2018-2019 Davidson Early College High School Student Handbook (as well as all DCS board policy and the DCCC Code of Conduct). }

**THIS IS A DRAFT FOR YOUR REVIEW. THIS IS NOT REQUIRED FOR THE APPLICATION.  
A FORMAL COPY OF THE MOA WILL BE SIGNED EACH YEAR FOR STUDENTS ACCEPTED TO  
AND ENROLLED IN THE DECHS PROGRAM.**
