bridging the opportunity gap

**L.E.A.D.** leadership. experience. adventure. development.

Through innovative curriculum and one-of-a-kind programming, **ARC** provides leadership development, experiential education opportunities, adventure activities, and professional development to camps, after school programs and groups and teams of all kinds.

## our students.

As an after school and experiential education provider, we customize each program to meet the specific needs of the individual or group and its community. Whatever your needs and expectations for a program, **ARC** is the perfect partner. We're closing the gap, one person and one program at a time.

## after school.

**ARC**, the leader in the Out of School Time movement, provides creative and comprehensive after school programming that supports academic performance and encourages well-roundedness in children while supporting parents with accessible, affordable, and convenient enrichment.
