

# DISHCHII'BIKOH BIZHII

Aug./Sept. 2017 Edition

## Principal's Message

### **Welcome Back Wildcats!**

I am happy to start this new school year as your Principal. I am honored to serve you the students and staff here at Dishchii'Bikoh High School and Middle School. I am looking forward to an eventful school year. I would like to encourage everyone (student, staff, and parents) to get involved with the many planned school events. I hope to see you all actively supporting our students and showing your WILDCAT Pride. Let's have a great year of growth as WE start this new journey together.

As the new school year began, I am driven to make this school year a memorable one for you. We had an exciting Back-to-School Bash. The Student Council elections were a success. The student body is now represented by student leaders who are eager to serve their peers. I would like to congratulate the following students for being elected as members of the Executive Student Council: Hannah Mallow, Isaiah Jones-Embry, DeAundre Lavender, and Bethany Quay. As the Student Council is re-instated here at our school, I hope to see more events for our students here at Dishchii'Bikoh High School and Middle School.

Again I am grateful to serve as your Principal, and together I hope we make this school Year a success. Best wishes in your learning this year, and may you all enjoy the opportunities Dishchii'Bikoh School and Middle School has to offer.

Sincerely,

Mr. Phil Endfield,  
Secondary School Principal

**DON'T FORGET OUR INDIAN DAY CELEBRATION Thursday, SEPT. 21, 2017  
HERE AT DISHCHII'BIKOH COMMUNITY SCHOOL. The Student Council will  
have a concession stand with refreshments available.**

**Coming in October Fri. the 27<sup>th</sup>, there will be a Halloween Bash  
sponsored by the Student Council. Listen to KDHS 88.9 for upcoming  
events.**

On Fri. Sept. 22 we will begin our fall season, with the advent of the Autumnal equinox or fall in the Northern Hemisphere and spring in the Southern Hemisphere.

The word *equinox* means “equal night”; night and day are about the same length of time. Thereafter sunset occurs earlier and sunrise later in the day.

## Who Has Seen the Wind?

By Christina Rossetti

Who has seen the wind?  
Neither I nor you:  
But when the leaves hang trembling,  
The wind is passing through.

Who has seen the wind?  
Neither you nor I:  
But when the trees bow down their heads,  
The wind is passing by.

## **Coach Julia DeHose**

**You lost your first volleyball game, do you see this as an opportunity for the girls to grow and get better?**

*Yes of course. Every game we play will always be a learning experience for us as coaches and players.*

**What is the most important aspect on the court?**

*That they apply what we learn at practice into the game. Which is teamwork, communication, getting out serves over, and 1-2-3. By 1-2-3 I mean 1-bump or pass, 2-set, 3-spike.*

**What are your goals for the girls as a team?**

*As a team? I just want them to be comfortable playing together. Communicate with one another and supporting each other. By doing that, I mix my best players and my players that are still learning together. It makes me proud to see my best players give advice to the ones that are still learning. I think this will help my players that are still learning to feel comfortable and that it's okay to make mistakes because they have their teammates and coaches to help them get better.*

**How long have you been coaching middle school volleyball?**

*I am going on my third year coaching middle school volleyball. I've enjoyed every moment of it.*

**What is one thing you'd like for your team to accomplish this season?**

*My team set goals for themselves and that's what I want for them to accomplish. I want them to be proud and confident in themselves improving as a student and a player.*
