

Huntington Beach City School District

Arts Priority Goal: Professional Development

2015-2018

Art Trainings and Local Resources

Success Criteria

- Make scholarship opportunities available for teachers to attend art institutes, workshops, professional organization memberships, etc.
- Identify teachers with an arts background that are willing to mentor others
- Train and support one teacher at each school site as the Arts Advantage Lead Teacher to coordinate and/or deliver professional development in the arts
- Create a list of local artists and musicians willing to make classroom visits
- Continue to produce a monthly District Arts Newsletter with art activities, local art events, and professional development opportunities
- Identify and participate in arts professional development aligned with the implementation of the Common Core State Standards
