

DAILY ANNOUNCEMENT

Friday, January 12, 2018

Our Thought for the Day is:

The golden opportunity you are seeking is in yourself.

Congratulations to both boys and girls basketball teams for their victories over Faiss Middle School last night. The boys were led by Darius Williams & Brandon Enriquez who both had huge scoring nights and the girls were led by Bella Jaramillo & Mary McMorris. Way to go Panthers!

Attention to all of you who are interested in the world, earning a potential scholarship to college and a potential free trip to Washington DC...

This year's Geography Bee will be on Wednesday, January 17th at 2:15pm in room 305. You will have fun, get a snack and test your knowledge of the world against your peers. This will also look good on your resume. This is open to all 6th, 7th and 8th graders. If interested, please see Ms. Weinstein in room 305 after school.

Mrs. Belknap would like to remind everyone to be kind, be responsible, and the best that you can be today. The choice is yours.
