## Heat Index and Wind Chill Policy

Absent a policy set forth by the New York State Catholic High School Athletic Association, Sacred Heart Academy Athletics department will adopt and follow the New York State Public High School Athletic Association policies on heat and wind chill. These policies will go into effective August 23, 2017.

Please see the two supplemental documents to this memo from the New York State Public High School Athletic Association for the specific procedures.

In the event that weather demands a change in scheduled events you will be notified through Appryse and school website. Every effort will be made to a make decision in advance, however weather is often unpredictable.

Thank you for your continued support.
