## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

#### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	65	67	68	66	48	48
Mathematics (grades 3-8 and 11)	61	67	60	63	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	399	397	99.5	66.5

Female	183	183	100	72.13
Black or African American	--	--	--	--
Asian	118	116	98.31	81.03

<b>English Learners</b>	91	90	98.9	71.11
<b>Students with Disabilities</b>	38	38	100	26.32
<b>Foster Youth</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

<b>Students with Disabilities</b>	39	38	97.44	31.58
<b>Foster Youth</b>	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

<b>Science (grades 5, 8, and 10)</b>	84	73	76	72	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2016-17)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	24.5	19.8	44.3

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

**Opportunities for Parental Involvement (School Year 2017-18)**

The School Site Council (SSC) at Vessels is an advisory group that meets regularly to receive information, discuss school programs, and provides input toward school-based decision-making. The SSC is composed of the principal, three classroom teachers, one other school staff member, and five parents. Per Education Code 52870, the English Learner Advisory Committee (ELAC) has delegated their authority to the school’s established School Site Council. All meetings are open to the public.

Vessels actively seeks parent involvement for school programs in a variety of ways:

- \* Parent representation is needed for the District Budget and Finance Committee, and District ELAC.
- \* The PTA supports the school program by encouraging and organizing parent involvement, promoting the self-esteem of students, and enriching the school program by providing special programs, services, and activities.
- \* A number of parents and community volunteers work in the classrooms assisting teachers and school staff in a variety of ways to effectively lower adult to student ratio.

## State Priority: School Climate

### School Safety Plan (School Year 2017-18)

The school has developed a disaster plan for use in an emergency situation. Staff members are trained and assigned responsibilities for plan implementation. There are monthly disaster drills for school-wide safety. The school and district also work in conjunction with the community-based School Community Alert Team (SCAT). School inspection reports rated the cleanliness, orderliness, and care of the school as satisfactory.

## Professional Development (Most Recent Three Years)

---

Staff development priority areas are based on curriculum focuses and district needs. Areas of emphasis are identified each year to align with newly adopted State Standards and State Frameworks. Curriculum revisions are an ongoing process with the major revision of every curriculum area corresponding to the year of the textbook adoption. The district and school site have provided the following staff development to teachers and support staff: Common Core, ELA/Math district and state assessments, Thinking Maps, Technology, Engagement Strategies, Instructional Strategies, SRI (Student Reading Index is used to chart student progress in reading comprehension and vocabulary development), Reading strategies, etc. Teachers use modified days to collaborate across grade levels to share instructional strategies and plan lessons based on what was learned from the staff development.

Academic support is provided to students and teachers based on state, district, and classroom assessment results. Internal walk-throughs are conducted to ensure implementation of our school focus and best practices. Grade level and cross-grade level articulation promotes collaboration and provides an opportunity for teachers to share successful instructional strategies and monitor student assessment results.

Classified employees attended in-services relevant to their specific assignment.
