Re: Federal regulations concerning the inspection, re-inspection, periodic surveillance response, surveillance response activities and management planning for our district.

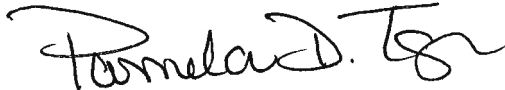

Mount Calm ISD works hard to maintain compliance with the federal AHERA regulations.

We are currently in the process of updating the management plan for our campus as required.

A copy of the plan is available for your review in the school office.

If you have any questions about the plan or this federally mandated program, please contact me at 254-993-2611,

Sincerely,

Pamela D. Taylor
