Ranking

Due to a selective admissions process, the CLHS student body is atypical; thus, ranking students strictly by grade point average would not accurately reflect a student's accomplishments or capabilities. Only the top 10% will receive a numerical rank.

Concordia Lutheran High School does not discriminate on the basis of sex, race, color, national or ethnic origin in the administration of education policies, employment practices, admissions policies, financial aid, reduced tuition or grants, athletics and other school administered programs.
