INDEPENDENT AUDITOR'S REPORT

Bond Oversight Committee
Delhi Unified School District
Delhi, California

We have conducted a performance audit of the Delhi Unified School District (the "District") Measure E General Obligation Bond funds for the year ended June 30, 2016.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure E General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for Delhi Unified School District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of Delhi Unified School District to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal control.

The results of our procedures indicated that, in all significant respects, Delhi Unified School District expended Measure E General Obligation Bond funds for the year ended June 30, 2016 only for the specific projects developed by the District's Measure E Oversight Committee and Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

1. A requirement that the school district establish and appoint members to an independent citizens' oversight committee.
2. A requirement that the school district expend bond funds only for the purposes described in Section 1(b)(3) of Article XIII A of the California Constitution, and ensuring that no funds are used for any teacher or administrative salaries or other school operating expenses.

MEASURE E GENERAL OBLIGATION BONDS
OBJECTIVES, SCOPE, METHODOLOGY AND CONCLUSIONS

OBJECTIVES

The objective of our performance audit was to determine that the District expended Measure E General Obligation Bond funds for the year ended June 30, 2016 only for the purposes approved by the voters and only on the specific projects developed by the District's Bond Oversight Committee in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.

SCOPE

The District provided to us a list of all Measure E General Obligation Bond project expenditures for the year ended June 30, 2016 (the "List"). A total of \$136,188 in expenditures from July 1, 2015 through June 30, 2016 were identified.

METHODOLOGY

We performed the following procedures to the List of Measure E General Obligation Bond project expenditures for the year ended June 30, 2016:

- Verified the mathematical accuracy of the List.
- Reconciled the list to total bond expenditures as reported by the District in the District's audited financial statements for the year ended June 30, 2016, presented as the Building Fund.
- Selected a sample of expenditures totaling \$73,248. The sample was selected to provide a representation across specific construction projects, vendors and expenditure amounts. The sample represented 54% of the total expenditure value. Verified that the funds were generally expended for the approved projects and were to modernize, construct, and renovate outdated classrooms, restrooms and school facilities; improve student access to computers and modern technology; make health and safety improvements; improve P.E. fields and facilities for school and community use, make required handicapped accessibility improvements; and improve energy efficiency. Verified that the funds used to pay the salaries of district employees were allowable per Opinion 04-110 issued on November 9, 2004 by the State of California Attorney General.

CONCLUSION

The results of our procedures indicated that, in all significant respects, Delhi Unified School District expended Measure E General Obligation Bond funds for the year ended June 30, 2016 only for the specific projects developed by the District's Bond Oversight Committee and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.
