Oak Ridge Elementary School
April 2018 Edition

Principal's Corner

Dear Families,

With Spring Break behind us, we look forward to the 42 days of school we have left of the 2017-18 school year to work with our students to prepare them to thrive in this rapidly changing world. That is approximately 23% of this school year that we still have to make a tremendous impact on every one of our students. We continue to work hard to prepare students for the State testing which begins this month. School attendance is very important during the testing window.

Mrs. Singh will be returning to Oak Ridge School from maternity leave in the beginning of May. She is very excited to return and wrap up the school year with your students.

I have enjoyed my time here – this is a wonderful school in so many ways. Thank you for welcoming me.

Mrs. Mispagel
