

Danbrook Elementary School

School Accountability Report Card

Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (Most Recent Year)

School Description

Danbrook Elementary School, located in West Anaheim, is one of eight schools in the Centralia Elementary School District. Danbrook offers an exemplary educational program for students in Pre-Kinder through grade six. Teachers and support staff at Danbrook Elementary believe that a strong academic focus supported by a positive and caring learning environment is essential to the success of our students.

A strong emphasis is placed on providing a safe, attractive environment for our students and staff. Equally important is the emphasis on developing strong positive character traits through our Positive Behavior Intervention System (PBIS) program which focuses on instructing students in the core school values, positive attitude, respect for self and others, integrity, dependability and excellence. This program has tremendous staff and parent support. Referrals to the principal's office for serious offenses are rare and suspensions virtually non-existent. The Club CASA program through ASES provides students with tutoring, homework assistance and enrichment activities.

Danbrook School has been the recipient the following achievements in the past few years:

Spring 2012 Largest API jump in Orange County, California (81 points)

2012, 2013, 2014 California Business for Educational Excellence Star Honor Roll Award

Similar Schools Ranking of 10

School Mission and Vision

Danbrook School is becoming the center of the community where children learn academic and social skills that will help them to be successful adults and contributing citizens. We will use the results from a variety of academic and social assessments to guide the decision making for designing programs and services to meet these needs. Students will take pride in their accomplishments as the school celebrates their successes. Students will be taught how to be successful through adult modeling, instructional lessons and practical experiences. Parents will be assisted with individual and group services in the areas of parenting, health care, social services and learning English. The atmosphere of the school will be maintained to be attractive and well kept. Teachers will work collaboratively to make the best decisions for program planning and instructional strategies. Supplemental services will be provided as "interventions" to assist target students who are at risk in order to ensure each child's success.

Student Enrollment by Grade Level (School Year 2014-15)

Grade Level	Number of Students
Kindergarten	128
Grade 1	87
Grade 2	86
Grade 3	91
Grade 4	100
Grade 5	103
Grade 6	80
Total Enrollment	675

Student Enrollment by Group (School Year 2014-15)

Student Group	Percent of Total Enrollment
Black or African American	2.1
Asian	1
Filipino	3.4
Hispanic or Latino	85.8
Native Hawaiian or Pacific Islander	1.2
White	4.6
Two or More Races	1.8
Socioeconomically Disadvantaged	94.4
English Learners	65.6
Students with Disabilities	6.1
Foster Youth	0.1

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2013-14	2014-15	2015-16	2015-16
With Full Credential	32	30.5		
Without Full Credential	0	0		
Teaching Outside Subject Area of Competence (with full credential)	0	0		

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners	0	0	
Total Teacher Misassignments *	0	0	
Vacant Teacher Positions	0	0	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2014-15)

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
All Schools in District	100.0	0.0
High-Poverty Schools in District	100.0	0.0
Low-Poverty Schools in District	100.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Year and month in which data were collected: December 2015

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 08/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ELD instructional materials in November, 2015 and will direct our pilot.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	All students have access to current State adopted and Board approved textbooks for English Language Arts. At grades K and 1st, these are the Open Court materials (2000 for K and 2002 for 1st), and at grades 2nd - 6th, these are the Houghton Mifflin (2003) materials. These textbooks are aligned to State standards. Supplemental materials for intervention instruction are also available and include Reading Mastery and Corrective Reading. A full list of intervention materials used is available at the school site.	Yes	0%
Mathematics	All students have access to current State adopted and Board approved textbooks for Math. Grade levels K-5 utilize the Houghton Mifflin California Mathematics (2009) materials. Grade level 6 utilizes California Mathematics, Holt (2008) materials. These textbooks are aligned to State standards. Supplemental materials for intervention instruction are also available and include Hands-On Equations and Voyager Math. A full list of intervention materials used is available at the school site.	Yes	0%
Science	For all grades K-6th, Houghton Mifflin California Science, 2007 materials are used. These are supplemented with Foss, AIMS and STC science kits designed to each grade level, based on their alignment to State Science Standards.	Yes	0%
History-Social Science	All students have access to current State adopted and Board approved textbooks for History Social Studies. Harcourt Reflections for California (2007) materials are used in grades K-6th. In addition to textbooks, students use consumable homework and practice books.	Yes	0%
Foreign Language	Not applicable.		N/A

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Health	Health instruction is incorporated into science and physical education programs. A separate text is not adopted in this curricular area.		N/A
Visual and Performing Arts	There is no specific textbook adopted for VPA, however, materials used are aligned to the standards and incorporated into ELA instruction, as well as, into history social studies and science instruction. Centralia School District's Education Foundation enables school sites the opportunity to offer various types of instruction in the arts.		N/A
Science Laboratory Equipment (grades 9-12)	na		

School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great efforts to ensure that all schools are clean, safe and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

Age of School Buildings

Danbrook School was built in 1960.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 287 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

In the evenings and during the day, a team of two custodians ensures classrooms, restrooms and campus grounds are kept clean and safe. As responsible members of the community we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

Deferred Maintenance Budget

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)		
	School	District	State
English Language Arts/Literacy	37	52	44
Mathematics	40	46	33

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Assessment Results - English Language Arts (ELA)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

The Centralia School District welcomes and values parental involvement in District and school programs. During the 2013-14 school year, CESD began the Local Control Accountability Plan (LCAP) process. This new funding process requires school districts to engage parents, teacher, employee groups, and the wider community to be a part of the development of the LCAP. Informational meetings were held with various stakeholders including Board members, parents, PTAs, and advisory groups (DELAC, GATE, PTA). An LCAP committee was formed that included representatives from each stakeholder group. The culmination of the LCAP committee was the adoption of the 2014-15 LCAP on June 24, 2014 by the Board of Trustees. The LCAP represents an opportunity to further strengthen the commitments between our District and our community on behalf all of students.

Parents at Danbrook Elementary School are an integral part of the students' education and success. Numerous opportunities are available to increase parental involvement by having parents attend school events, volunteer their time, and sharing in the decision-making process of the school. Parents may volunteer to assist classroom teachers and help with other school activities. Centralia School makes an effort to involve parents with a wide range of opportunities to interact with the school staff and support their child's academic efforts. Such activities include:

- Back to School Night
- Open House
- Parent Education Training and/or Workshops
- Field Trip Chaperone
- Class Volunteer
- Principal Coffee Chats
- Coffee with an Office
- Parent Greeter Program
- PTA-Sponsored Activities
- Fall & Spring Conferences
- Family Nights
- Talent Show
- Book Fairs
- Student Study Team Meetings
- IEP Meetings
- School Site Council Meetings
- English Learner Advisory Committee

The annual parent information meeting, conducted by the school principal, is held in September. The meeting is provided in English and Spanish. Input from parents is accepted and questions are answered. The plan for providing English language instruction is explained. The School Site Council approves the school's 227 Plan. The plan is explained to parents, and their child's language level and classroom assignment (ELL or ELM) is reviewed. At this meeting, a fully constituted English Language Advisory Committee (ELAC) with elected officers is established. ELAC Committee members will be identified and elected to represent the school at the District ELAC Committee which will meet four times next year at the District office; dates and times are determined in the fall when membership has been determined. A minimum of 5 ELAC meetings during the school year, guided by an agenda outlining EL issues to be discussed, will take place. Minutes are kept of each of these meetings with a copy of the names of the elected officers, sign in sheets for each meeting, agendas and minutes sent to the District's Student Services office for compliance purposes.

In an effort to enhance communication with the parents, encourage families to spend time together and to be involved in their child's education, the PTA holds monthly Family Nights. The Family Nights have themes such as reading, science, math and safety, with ideas for helping parents help their children learn, as well as helping the school to build a positive connection with parents. In addition, Danbrook is part of the Gang Reduction Intervention Partnership (GRIP) program with the Anaheim Police Department, which holds monthly parent support meetings throughout the year helping parents deal with issues affecting the home and their child's education.

Danbrook School is an identified Program Improvement School. During the 2014-15 school year, the school was identified as being in Year 3 of Program Improvement. The school complies with all communication and efforts to involve parents through support of the District's Office of Curriculum and Instruction. Such communication home involves information regarding Program Improvement status, School of Choice, and Supplemental Educational Services options.

Title 1 Parent/School Compact:

Danbrook School and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA). Annually, the school holds a Title I meeting and seeks parental input regarding the schoolwide Title I Compact, with final approval by the SSC. This compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. Danbrook School fulfills the annual Title I Parent Involvement Policy and implements it with the full support of the School Site Council and English Learner Advisory Council.

For additional information about organized opportunities for parent involvement at Danbrook Elementary, please contact Principal Erasmo Garcia at (714) 228-3230.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (Most Recent Year)

Safety of students and staff is a primary concern of Danbrook Elementary. The School Site Action Plan was developed by the Site Safety Committee and the School Site Council with input from the School Safety team. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2013-14 goals of our Safe School Action Plan include the following goals:

Goal #1: All students and staff members are provided a safe physical environment to support teaching and learning.

Goal #2: All students experience a safe, respectful, accepting and emotionally nurturing environment while at school, when traveling to and from school, and when traveling to and from school related activities.

Goal #3: District programs, strategies, and approved community resources are provided to students and parents in order to ensure that students develop resiliency skills.

Goal #4: Schools provide an educational environment where students, parents, staff and community members show respect to people of all cultural, racial and religious backgrounds.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. Fire evacuation drills are held monthly. The school maintains a Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

Danbrook is a partner of Anaheim's Gang Reduction and Intervention Partnership . This programs works with fourth through sixth grade students and their families to implement coordinated targeted gang prevention, intervention and suppression activities. It trains teachers to identify gang behavior and students at-risk of adopting the gang lifestyle. GRIP removes barriers to learning by creating a safe drug free school and providing parent with effective skills, tools and support that promotes healthy childhood development and minimizes gang influences on their children. Though GRIP we have adopted the Greeter Program, a team of parent volunteers that greet students as they enter our campus providing us with an extra set of eyes and ears that help us identify potentially unsafe situations. GRIP's Parents Supporting Parents workshops provide parents with education regarding gang and drug prevention. At Coffee with an Officer meetings officers from the Anaheim police department conduct open forums for parents and community. Parent are able to ask officers questions in a risk free environment. During our officer led curriculum sessions students in 5th and 6th grade are educated regarding the dangers of drugs and gangs. Healthy responsible living is promoted. Though our GRIP mentor program staff members mentor at risk students and establish a relationship with families.

Date of Last Review/Update: February 2014

Date Last Reviewed with Staff: February 2014

The Centralia School District's Board of Trustees reviews the School Safety Action Plan annually by March 1.

Percent Difference: School Site and State	N/A	N/A	-9.3	12.8

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2014-15)

In addition to general fund state funding, Centralia School District receives state and federal categorical funding for special programs.

Programs and Services Available at Danbrook School to Support and Assist Students:

At Danbrook School, the principal works with the school's leadership team and the School Site Council to develop the comprehensive School Plan for Student Achievement. Through the Local Control and Accountability Plan, the school has provided the following: An Intervention specialist who provides additional support for students not meeting grade level proficiency in small groups. A Bilingual Instructional Assistant to provides additional small group reinforcement of core skills, and works with parents for translations. Computer based instruction using the online programs for Study Island, Ticket to Read, More Star Fall, Discovery Learning, and Accelerated Reader. The classrooms are equipped with smart board technology and upper grades have access to Chromebooks on carts to facilitate use of technology. The funds from LCAP are used to provide GATE students with an enrichment after school program. The GATE program is site based with differentiated instruction during the school day.

English Learner program is focused on improving students' acquisition of English language skills through a strong ELD program.

Danbrook School receives categorical funds from Title 1, and EIA/EL. Together, these programs provide the following programs and services to assist qualifying at-risk students:

The Title 1 Program provides supplemental services including a School Wide Intervention Specialist, Bilingual Clerk. The school was able to employ three .5 Intervention specialists to provide specialized support for eligible at risk students

The EIA/EL funds provide Bilingual Instructional Assistant support, as well as intervention programs and materials to students including the ASIP(After School Intervention Program).

As a year 3 Program Improvement school, Danbrook School is required to provide transportation to parents requesting their child be transferred to a non-PI district school, Title I funds are allocated to provide supplemental tutoring services which occur outside the school day by an educational service provider approved by the State for qualifying students. To close the achievement gap, the district has allocated funds to provide additional administrative support to the school with a full time assistant principal in addition to the principal. The district also closely monitors spending of Title I funding to ensure programs directly relate to student achievement initiatives.

Teacher and Administrative Salaries (Fiscal Year 2013-14)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$41,860	\$42,723
Mid-Range Teacher Salary	\$79,012	\$65,936
Highest Teacher Salary	\$97,740	\$84,545
Average Principal Salary (Elementary)	\$118,701	\$106,864
Average Principal Salary (Middle)		\$110,494
Average Principal Salary (High)		\$103,499
Superintendent Salary	\$211,029	\$159,133
Percent of Budget for Teacher Salaries	45%	40%
Percent of Budget for Administrative Salaries	6%	6%

Professional Development (Most Recent Three Years)

The Centralia School District provides collaborative professional development that is aligned to student learning and standards, that prepares and trains high-quality teachers, principals, paraprofessionals, and other staff. Certificated staff participates in a variety of staff development activities to enhance each individual’s involvement, competence, effectiveness and productivity in meeting the needs of all students. Opportunities for staff development are sponsored on site and through District, County and local conferences. The scope of our professional development includes curriculum implementation and alignment to California’s Common Core State Standards, assessments, instructional strategies and interventions, instructional materials, technology, and professional development.

Certificated Staff

- Thinking Maps: Write from the Beginning and Beyond (Expository and Informative, 6th grade Argumentative) training for all teachers and instructional aides in the classroom that support educators in delivering curriculum aligned to the CCSS to all pupils. Group presentation and implementation with in-class coaching.
- Refinement of the Response to Intervention (RTI) model
- McGraw-Hill and Houghton Mifflin pilot of math programs for 82 teachers. Workshop provided after school. Support with implementation through in-class coaching.
- Substitute Teacher Training for new sub hires
- Number Talks for math CC alignment for teachers. Workshop provided after school.
- Leveled Literacy Intervention for Certificated Intervention Specialist. After school workshops.
- Positive Behavior Intervention and Support System (PBIS)
- Meet the Art Masters. After school workshops.
- CAASPP/SBAC new state training. After school workshops.
- How to utilize Digital Library. After school workshops. Support with implementation through in-class coaching.
- Title 5 Regulations workshop with Dan Harbottle for psychologists and SLPs- December
- Case Manager Training: Effective and compliant IEPs- January
- CPI Training- Crisis Prevention Institute
- SEIS Training for new case managers – September, November

Specific to Administration

- Leadership Training for Administration: Dale Carnegie
- Association of California School Administrators (ACSA) to hear Dr. Michael Fullan
- Partnership with neighboring districts to hear Dr. Anthony Mohammed
- Principals workshop on Safe School Plans – November
- Principals workshop on School Accountability Report Cards- December

- Principal Training: Effective and compliant IEPs – January

The professional development provided for Classified staff at Centralia School District is varied and corresponds to the area and tasks associated to the specific classification. The goal of the activities is to enhance the employees' ability to provide service to the students which will ultimately support the educational program being provided. The activities they are involved in are directly related to the employees' assignment.

- Noon Supervisor Training – effective supervision of students -August
- Health Clerk Annual review of practices – September
- SEIS Training for new case managers – September, November
- Annual & individualized training for Health Aides
- Mandated Child Abuse Reporting
- School Office Manager Customer Service training

PBIS and Conscious Discipline
