

## ACE Show Choir

Dear School Board,

ACE Show Choir is requesting permission to participate in the Forum Music Festival, held in Anaheim, CA, on April 18-21, 2013. This is an annual event where the Show Choir represents LHS as they perform in front of judges for adjudication as well as in front of other choirs from around the country. They perform not only at the Festival but also in Disneyland by audition. They have already been accepted to perform in Disneyland. There will be 6 chaperone parents going, including Lynn Hampton (has traveled with ACE for past 13 years), Norma Torres, Larry and June Peters, Terrie Colborn (has traveled before with ACE), Melanie Love and myself as the school official. Through donations and students raising their own funds to go, the trip has been fully funded. This would be an overnight trip using a charter bus. Thank you for continued support of the Fine Arts.

Sincerely,

Ken Kell, Director
