Put into operation programs, activities and procedures, including the development and evaluation of policy, for the involvement of parents in all of its Title I schools consistent with all federal laws (i.e., Section 1118 of the Elementary and Secondary Act, ESEA, etc.) Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children;
  - B. Provide the coordination, technical assistance, and other support necessary to ensure participating schools meet the requirements of section 1118 (b) of the ESEA, in the planning and implementing of effective parent involvement activities to improve student academic achievement and school performance, and include, as a component, a school-parent compact.
  - C. The district will incorporate this district parent involvement policy into its LEA plan developed under section 1112 of the ESEA.
  - D. Build the schools' and parents' capacity for strong parental involvement;
  - E. Coordinate and integrate Title I parental involvement strategies with parent involvement strategies under other programs, such as Head Start, Even Start, State Bilingual, etc.
  - F. Conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this policy in improving the academic quality of the schools served with Title I funds including: identifying barriers to greater participation of parents in Title I-related activities, with particular attention to participation of parents with limited English proficiency, parents with disabilities and parents of migratory children; and
  - G. Involve the parents of children served in Title I, Part A schools in decisions about how the Title I, Part A funds reserved for parental involvement are spent.
