

GENERAL INFORMATION

- *All classes will be held at GTC unless otherwise stated.* Classroom location provided the first night of class.
- Most classes must have at least 6 people enrolled to make. If the class doesn't form due to low enrollment, the Community Education office will mail your payment back to you.
- **Students are responsible for writing down the date of the class they have enrolled in. Please mark your calendars.**

Inclement Weather: If Reeds Spring R-IV School District is either not in session or school is dismissed early, evening classes will not be held. Listen to KRZK 106.3 FM in Branson for cancellation of "Gibson Tech Night Classes." Canceled classes will be re-scheduled.

Refund Policy: Please review the refund policy located on the registration form on the next page.

Textbooks: Register early. Normally it takes ten working days for textbooks to arrive. **If a student registers less than two weeks before classes start, there is no guarantee that the student will have a textbook the first night of class.** Textbooks are distributed the first night of class.

Visitors to Class: Please do not bring your children to classes. While they may not disturb you, they may be very distracting to others. We also ask that you do not bring guests to class unless you have permission from GTC.

Enrollment Verification: If you do **NOT** hear from the GTC staff, simply show up the first night of class. The only time you will hear from GTC is (a) if there is a change in time or day (b) if the class is full or (c) if you send a self-addressed stamped envelope. Mark your calendars.
