Augusta National has The Masters and Annandale Golf Club has **The Eagle Scramble!**

Jordan Speith, Rory McIlroy, and Bubba Watson have nothing on the field of 97 golfers who participated at Annandale. This year's Scramble included many Eagle Dads. Matter of fact, 1st, 2nd, 3rd, and highest score winners all had at least one Eagle Dad on their team. Congratulations to the "winners" and to our chairmen; **Chris Thomas and Alvin Blue**; as well as the volunteers who enjoyed the beautiful day and made this event a success. Also, thank

you to our Title Sponsor, [MS Sports Medicine & Orthopaedic Center](#) (former Eagle parent – Dr. Jay O'Mara); Eagle

Sponsor, Ray Hansen; Birdie Sponsors, [Trustmark Wealth Management](#) and The Singer Family, and all the Sponsors. Great appreciation to Annandale and all those who donated prizes to this year's [St. Anthony Eagle Scramble](#).

TEACHER HAPPENINGS!

Whole Schools Initiative Retreat – On Wednesday, April 6th, St. Anthony hosted over 60 guests from schools around the state for the Whole Schools Initiative Spring Retreat. Guest artist Thom Borden presented on integrating

music and movement with literature. Mr. Borden had participants up and moving all day as they explored a number of children's books. Teachers learned how to utilize music and dance to teach important early literacy skills.

Conquering Math – Last Wednesday, faculty members participated in a weekly staff meeting that was devoted to strengthening the St. Anthony math program in all grades. Teachers did a close study of our ACE Collaborative Curriculum standards as well as the Mississippi College and Career Readiness Standards. Teachers worked to identify

strengths and areas of improvement for our math program.

Watch Our Garden Grow

Calling All Eagle Dads...

The ground has dried up enough to complete the work at St. Anthony's Garden. Greg Latour will be on site this Saturday, April 9th beginning at 9:00a.m., and help is needed! Here are our goals for the day:

- The weed barrier will be laid in the crosswalk of the garden.
- Pea gravel will then be poured atop the weed barrier and manually spread.
- Two planter boxes will need to be built.

The deer fencing will be added to the posts, which were set at the last "work day." If you could come and provide any amount of help, it would be greatly appreciated. Please bring a garden rake and/or shovel if possible. Please respond to Lisa Harmon lisawharmon@aol.com if you are available.
