

Gateway Lab School  
Board of Directors

Standard Operating Procedures

The Gateway Lab School Charter Board of Directors endorses the following Standard Operating Practices for all Board of Directors.

As an appointed member of the Gateway Lab School, I accept the trust and responsibility placed on me to ensure that all students will receive the best education possible. To that end, I agree to the following school board governance Standard of Operating Procedures.

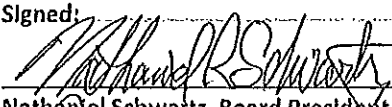

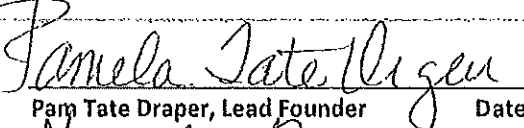

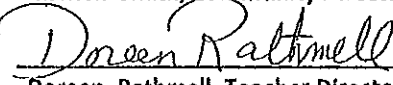

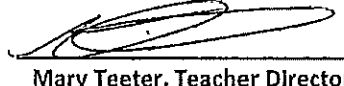

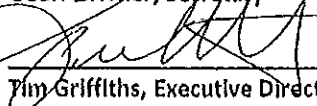

Standard Operating Procedures Agreement

Board of Directors will:

- Make decisions based on the educational welfare of all students and the financial well-being of the organization.
- Treat each other with respect and dignity.
- Delegate the day-to-day operations of the school to the Executive Director.
- Maintain strict confidentiality of executive sessions and privileged information.
- Uphold all applicable federal and state law and regulations; especially IDEA compliance.
- Abide by the policies and bylaws of the Board and change those bylaws and policies as needed in the best interest of students, especially with regard to student achievement and the financial well-being of the organization.
- Make every effort to attend all regularly scheduled Board meetings, to be informed of the agenda, and be prepared to discuss items at those meetings.
- Respect the leadership roles of the Board President and the Executive Director.
- Take no private action that would compromise the Board or the school leadership team.
- Be transparent in all actions as Board Directors.

We will maintain fidelity to these standards of operating procedures and will be held accountable for our actions by fellow board members.
