

# Paving Our Future

Located in the heart of Riverside’s Downtown area, St. Francis de Sales School has been a cornerstone in the academic community for 100 years. Built in 1918, the Dominican Sisters of Houston Texas began the tradition of providing religious enrichment and academic excellence at St. Francis de Sales School, the oldest Catholic school in the Inland Empire! For a century, our school has not only been a special place within the city of Riverside, but we have also made a strong impact on the lives of our students.

In celebration of our centennial, St. Francis de Sales Catholic School is selling commemorative bricks that will pave the entrance of our school campus and decorate our North Park Playground. **A brick with your inscription can be purchased for \$100.00.** The brick may be personalized with names, dates and special messages. The purchase of this brick allows you to leave a lasting imprint on our school grounds and commemorate your personal contribution to this historical landmark in our city and diocese! Your generosity enables St. Francis de Sales School to continue the 100 years of tradition in cultivating academic excellence and contributing to the development of the future leaders of our community.

Please contact us for additional information. We appreciate all the support from our community.
