

St. Andrew-St. Elizabeth Ann Seton School

Academically Excellent-Passionately Catholic

New Student Referral Program

We are looking for more families just like yours...families who want to see their children's mind *and* faith strengthened, families with children who will thrive as they discover their God-given gifts, and families that will lean into all that SASEAS Catholic School offers. You know families like these...they are your friends, family and neighbors and now there's a way for you to offset your tuition investment by referring families like these to SASEAS School.

Our goal with this referral program is to encourage the promotion of our school and to thank you for sharing your passion of Catholic education here at SASEAS School.

The benefit for you: you receive a \$500 tuition credit for each new family you refer who enrolls next year at SASEAS School.

The benefit for them: SASEAS School waives the \$155 registration fee when they tell us they were referred.

A few guidelines:

- ✓ The referral program is for parents or guardians who are paying tuition for enrolled students Kindergarten through grade 8 at the time of credit distribution.
- ✓ "New Family" is defined as one without any children currently enrolled at SASEAS School.
- ✓ The credit is earned only for families who enroll in and attend SASEAS School.
- ✓ The new family must write referring family's name on application and notify the office at the time of initial contact or at the beginning of the application process.
- ✓ At the time of enrollment, new families may provide only one SASEAS School family name to receive the tuition credit.
- ✓ Tuition credit will be applied to your tuition invoice at the start of the new school year.

We hope you take advantage of this program so that together we can continue to promote the value of Catholic education where the teaching of our faith and values alongside excellent academics challenges our students and prepares them for the future.
