State law also requires that school districts provide alternatives in lieu of fee waivers, "to the fullest extent reasonably possible according to individual circumstances of both fee waiver applicant and school," consistent with local board policies and/or guidelines which may include tutorial assistance to other students, assistance before or after school to teachers and other school personnel on school related matters, and general community or home service. If your student is eligible for a waiver, the school cannot require you to agree to an installment payment plan or sign an IOU in place of a waiver.
