PSAT/NMSQT: Important Information for Parents of Freshmen, Sophomores & Juniors

On **Wednesday, October 11, 2017**, Los Angeles Senior High School will administer the PSAT/NMSQT (Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test) to all 9th, 10th and 11th grade students. The District will cover the PSAT/NMSQT exam fees for all 10th graders. Fee waivers and discretionary school funds will be used to pay for the 9th and 11th grade PSAT/NMSQT exams.

Approximately 3.8 million students nationwide take the PSAT/NMSQT each fall. Taking the PSAT/NMSQT provides the following advantages to students:

- The PSAT/NMSQT measures skills in three academic areas: reading, writing and language, and math. The test lasts approximately 2 hours and 45 minutes plus time for pre-bubbling and directions.
- The PSAT/NMSQT score report will tell students where their strengths and improvement areas are and their potential for advanced courses such as the AP program.
- Students may opt into the Student Search Service to start receiving admission and financial aid information from certified colleges, universities and scholarship agencies. Learn more at collegeboard.org/sat-suite-scholarships.
- The PSAT/NMSQT provides practice for the SAT another college admissions test.
- **High achieving juniors who score well may qualify for National Merit Recognition and Scholarships and other scholarship and recognition programs.** Go to www.nationalmerit.org to learn more.
- PSAT/NMSQT test takers receive a free personalized PSAT/NMSQT college planning kit online. Using a unique access code on the score report, students have access to an online PSAT/NMSQT Score Report and feedback on their readiness for 20+ AP courses, a free customized SAT study plan (Khan Academy), and a personalized lists of college majors and careers. For official SAT practice, go to <https://www.khanacademy.org/sat>.

PREPARING FOR THE EXAM--Students can prepare for this exam by reviewing the information in the PSAT/NMSQT prep booklet which contains a full-length practice test. This practice test can also be found online. Click this link, PSAT/NMSQT Practice at <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/practice/full-length-practice-tests>.
