

# A-3 Schools

Looking for an elective? Inquire with your mentor teacher. A-3 offers Second Languages, for all grades.

Art Classes K-12

## Strong Start Semester II

As Semester II begins, here are some things to remember to get to a great start.

Log into classes every day.

Have your supplies ready.

K-5 Keep your materials organized

Technology grades 6th-12th

6-12 Keep your assignments organized by having a folder for each class on your desktop to place assignments in before uploading. Do not delete them, keep them in the folder until the class ends, so there is never a possibility that they get lost in cyberspace.

Don't have Microsoft Word? Try this: <https://products.office.com/en-us/office-online/documents-spreadsheets-presentations-office-online>

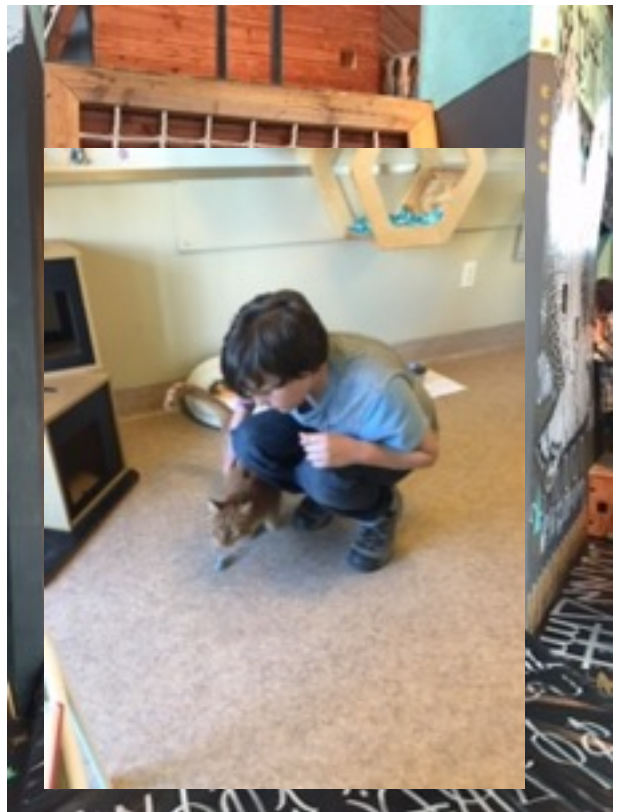

Pay attention to what you are listening to, or reading. It's o.k. to take notes. All of our tests are open note style. How lucky you are, take advantage of this opportunity, be a good note taker!

Ask for help when you need it, we may not be in the same room as you, but we are real people, and we are really here, and can help if you need it.

Participate in Class Connect Sessions. Class activities are held in class connect sessions, and teachers office hours, don't miss out!

Follow School Rules

Always do your best!

A-3 student going above and beyond by doing Community Service for Social Studies. This A-3 student volunteers at the Animal Friends of the Valley shelter in Temecula with a program called Huey's Heros, in which people volunteer their time to come read to the animals. This helps socialize the animals and give them much-needed attention in hopes they will be adopted. This student also volunteers time at a Habitat for Humanity program for kids where they grow vegetables and distribute them to needy families. Way to go Seth!

## Mark your Calendars...

**Monday, February 12:  
Lincoln's Birthday/ No School**
