

**Hillview Crest Elementary School**  
**Student Supply list 17/18**

In order to prepare students for a successful school year, it is requested that they have certain classroom supplies. Enclosed is a supply list for all grade levels. We request that parents stick as close as possible to these supply lists in order to minimize any inequities between students. Should you have the ability and the desire to purchase extra supplies for those who cannot provide their own, that would be most appreciated.
