

Wasco Union High School District

"Believing in Educational Excellence for All"

MARTIN LONZA, Director of Facilities and Planning

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that Wasco Union High School District ("District") will engage public interest meetings regarding its intent to enter into an Energy Conservation Services Contract for Energy Efficiency projects at two school sites pursuant to Government Code section 4217.10 et seq. The District seeks to enter into an agreement with ReGreen Corporation for the design, installation, and commissioning of Lighting Systems at Wasco Union High School and Independence High School located at 2100 7th St. Wasco, CA.

The District wishes to make certain determinations and findings and receive public comment regarding this matter through public interest meetings with the District between the date of May 18th and May 31st 2017. Copies of the District's original RFQ/RFP No.0410-17AT, Prop 39 Lighting Design-Build Services and ReGreen Corporation's proposal are on file in the main administration office and can be viewed during normal business hours. Any person interested may reach out to Martin Lonza between the dates of May 18th and May 31st for more information regarding these intended projects.
