

# ScienceWorks

## Needs You!

### Kids Love Science!

ScienceWorks is a science program that provides science kits to Fountain Valley, Huntington Beach, and Westminster classrooms so that all children can have the opportunity to be young scientists.

### Volunteers Needed!

**1-2-3 hours a week or month –  
any amount of volunteering will help!**

Volunteer Monday through Friday  
Between 8:00 AM - 12:00 PM

Help assemble materials so that students may conduct hands-on science experiments. Become an advocate to encourage students to become mathematicians, engineers, and scientists. Volunteer with a friend or relative – all help is appreciated.

ScienceWorks Material Resource Center is located at:  
17616 Gothard Street  
Huntington Beach, CA 92647

Call or email Tricia Brisby before you come the first time.
