Whitehouse ISD School Board Meeting Summary March 5, 2018

The Board of Trustees held a regular public meeting.

- Public Hearing

- Mr. Bill Culpepper address the board to discuss safety concerns around Whitehouse ISD. Because this was during open forum, the Board cannot respond.

- Information items included, but are not limited to:

- Construction update

- WRL presented a power-point showcasing the progress made on current construction projects with an estimated timeline for most projects, including a possible completion date of June 2018 for the new Brown Elementary school.

- John Walch Presentation

- Mr. John Walch presented information concerning a TRE (tax ratification election) to the Board of Trustees.

- Elementary Literacy Update

- Instructional Coordinator Ginger Pippin and various elementary teachers shared the success of new resources being used in the classroom. Ms. Poeschel, a Kindergarten teacher at Cain Elementary said, "We're not only teaching them how to read, but we're teaching them how to think."

- Interactive Flat Panel

- Executive Director of Technology and Technology Integration Specialist Ashley Swinney demonstrated the capabilities of the new interactive flat panels that will be used in the classroom.

- Action Items included, but are not limited to:

- Consent Items that involved approving Board meeting minutes, monthly financial reports, tax report, donations.
- Consent Items also included approving the 2018-19 school calendar, virtual desktop infrastructure, and waivers.
- Approving the 2018-19 Athletic Director
 - The Board named Mr. Adam Cook the new Whitehouse ISD Athletic Director.

- Reports from the Superintendent included, but are not limited to:

-New hires, resignations/terminations, and retirements
