

# CBE

Through UT of Austin, students can “test out” of a course by taking credit-by-exam (CBE).

MCHS students can “test out” of a course by taking a final exam in that course. **CBE for acceleration** is taken to get ahead on coursework; the student CANNOT have taken the course before.

- Exams offered and study guides for each can be found online at UT of Austin: <http://www.utexas.edu/ce/k16/cbe-ea/study-guides/>
- Student must get an application from their counselor (A – R: Mrs. Lindsey; S – Z: Mrs. Waldon) and submit the completed application by the session deadline (see below).
- A deposit of \$20 (check or cash) is required; it will be returned if the student participates in the testing process.
- High school students MUST pass with a **score of 80% or higher** to receive credit for the subject tested.
