To whom it may concern,

Hello, my name is Paige Paneto and I am the president of SkillsUSA Lakeside High School. We are doing a service project focused on foster children. I have been in contact with Mandy Weaver, the supervisor of foster care and adoption. She was beyond pleased to hear how willing we were to help the children in need. We have decided to make them care packages for when they are brought into the foster care system.

We are looking for the following items:

- Toothbrushes
- Toothpaste
- Shampoo
- Conditioner
- Body soap
- Deodorant
- Baby wipes
- Socks
- Coloring books and crayons
- Small toys
- Cinch sacks

It would be greatly appreciated if you would be willing to donate the items listed above or help out with a donation. Thank you in advance for any help.

Sincerely,

Paige Paneto- SkillsUSA President
