### Bridgeport ISD Laptop Annual Usage Fee

Based on TEC 11.158, the school district may require payment of a reasonable fee, not to exceed the actual maintenance cost for the use of musical instruments, technology and uniforms owned or rented by the district.

Bridgeport ISD will require an Annual Usage Fee of \$40 for Laptop Use. This fee will not be prorated if a child enrolls or withdraws during the school year.

Students will be issued a laptop at the beginning of each school year and will return their laptop at the end of each school year or when a student withdraws. Each summer, the district will take all student laptops to inventory, reload, update, and clean up. The student will then be issued the same laptop at the beginning of the following school year.

I acknowledge that I have read the Bridgeport ISD 1-1 Laptop Program Handbook
