

# Ardmore City Schools "Spotlight"

## An Update from Superintendent Kim Holland

# ONE TEAM. ONE MISSION.

Edition 11  
November 3, 2017

Last week was Red Ribbon Week and students at Charles Evans released hundreds of balloons into the sky. Well look what they got back in the mail this week. A kind lady in Howe, Texas, mailed it back to them with a very kind note to Mr. Jones & his students and included

\$100.00! Charles Evans Principal Denise Brunk stated, "We were so touched by her willingness to return the balloon but to also include a donation.....overwhelming."

AHS Vocal Music had 20 students participate in the Southeastern OCDA All District Honor Choir this week! One student is a 6 year medalist and two are 3 year medalists!

**United Way Costume Stomp was held at Will Rogers this week, but who is this person sporting a tiger head? Is it "Top Cat" or someone dressed up to be "Top Cat?"**

**AMS art students have finished their Chihuly inspired sculptures. They are beautiful. Great job!**

**ACS would like to say thank you to all our Veterans for your service to our country. Veterans Day programs are scheduled next week at AMS, Jefferson & Lincoln.**

Congratulations to The Pride of Ardmore, AHS Cheer, and AHS Pom for their outstanding performance at the OU Homecoming Parade this past Saturday in Norman. Our spirit groups represented our school, town, and the community of Ardmore well at The University of Oklahoma .
