

TOLL GATE BOMP

Intro: No matter where we go
The memory of someplace special is kept in our hearts

Refrain: Who put the "T" in the "T" for Toll Gate?
Who put the "G" in the "G" for Grammar?
Who put the "bomp" in the Toll Gate Students?
Who put the smiles on the teachers' faces?
Please tell us who, we'd like to say thank you.
They made our minds work for us.

From day number one, until we reach the fifth grade, yes, the fifth grade.
Everything we learn we need to know.
We have fun and we work hard,
Recess, field trips, learning in the classroom,
Our friendships still have time to grow.

Refrain: Who put the "T" in the "T" for Toll Gate?
Who put the "G" in the "G" for Grammar?
Who put the "bomp" in the Toll Gate Students?
Who put the smiles on the teachers' faces?
Please tell us who, we'd like to say thank you.
They made our minds work for us.
