

I hope this message finds you and your family well. We are in the second semester of the school year which tends to be a bit intense: conferences, St. Patrick's Day Event, field trips, cold weather, and finishing the school year strong.

Offering a quality education to all students is a mission Sunnyside has tackled for years. I feel comfortable saying that the staff at Sunnyside is committed to this task and doing everything possible to ensure students are set up for success today, and in the future. At the same time, your involvement is crucial for your student(s). In conjunction with Sunnyside's Health Fair, we will be hosting Student/Parent/Teacher conferences the week of February 26th. I would love to boast 100% participation.

I am hosting *Parent Coffee & Tea* on Friday mornings at 8:00 a.m. in the Sunnyside Conference Room. The last three weeks we have discussed the grieving process, safety, fundraising, academics, and, in general, how we are all doing. There is no agenda for these mornings, and any and all conversation is welcome. I will continue to host these talks as long as there is a need or want. I hope to see you attend.

Take care of each other and be safe, *Mr. Hyatt*
