FOOD PANTRY

Gleaners' School-Based Pantry Program is an exciting new front in the struggle to end hunger for children and teens. School-Based Pantries make staple grocery items, including personal hygiene products, available to high school students and their household family members at no cost. Too many students are forced to deal with the anxiety that accompanies living without day-to-day necessities, often making school the least of their worries. School-Based Pantries give students one fewer thing to worry about, allowing them to devote their energies toward school in a healthy, positive environment. Shelbyville High School is excited to be partnering with Gleaners for this wonderful opportunity for our high school students and families, as well as Shelbyville Central School employees.

Enter through the silver doors to the SHS Gymnasium closest to Gate #1. You must be a current student of Shelbyville High School, have a student currently enrolled at SHS, or be an employee of Shelbyville Central Schools to participate in this program. The School-Based Pantry Program will be open the following Wednesdays from 3:15 to 3:45 pm. – May 16. In addition to the Wednesday public hours, there are STUDENT ONLY hours on Fridays. Contact Mrs. McLeod in Room 139 or call 317-398-9731 ext. 2307 or email dlmcleod@shelbycs.org with questions.
