We pray For...

## St. John Bosco

We give thanks to God, in this time of new beginnings and excitement. We pray for patience and peace as we begin the process of the Fine Arts Building for our students of Santa Clara.

Please send prayer intentions to [cbaker@santaclaracademy.org](mailto:cbaker@santaclaracademy.org)

St. John Bosco was a talented boy with a great sense of humor. He juggled and did acrobatics, asking his audiences to say prayers or attend Mass as his payment. At the age of 9, he had a vision in which Jesus and Mary showed him his vocation of being a Priest and helping street boys. He grew up and did just that! He founded the Congregation of Frances de Sales known as the Salesians to carry out his work. St. John Bosco was devoted to Mary and relied on her guidance to start his new order. John had visions and dreams his whole life which helped him to do his work and carry out God's will. Miracles surrounded him both during his life and after his death.
